Thank you for choosing our clinic!

To ensure your visit with us is a pleasant one, here are the procedures you can expect upon arrival.

Paperwork Please complete this questionnaire and your health history to help us to get to know you. The doctor will use this information to help formulate recommendations for your care.

Consultation You will meet the doctor and our New Patient Advocate. The doctor will review your health history and determine if yours is a chiropractic case. You will be informed of any of the fees for office procedures before they are performed.

Examination Standard physical, orthopedic, neurological, and chiropractic tests will be performed to determine the cause(s) of your subluxations.

Spinal Images Necessary views may be taken to visualize the location of any spinal problems, neurological interferences, reveal any pathologies, and make your chiropractic care more precise.

Correlation Before proper care can be rendered, the doctor will study your examination findings. Later, you will see x-rays, review your findings, and receive specific care and recommendations from the Doctor.
